**“A Beautiful Song, A Beautiful Sound”**

A beautiful song, a beautiful sound, it feels like I'm in a dream

I hear a song, a beautiful sound, upbeat it is I here

It can be soft, it can be loud

It is sittin' in the sand, right next to a cactus

I pick it up and start strumming along to the beautiful upbeat song

A beautiful song, a beautiful sound, it feels like I'm in a dream

I heart a sound, a beautiful song, it will lead me to my destiny

I put it back right next to the cactus sittin' in the sand

I slowly walk away

A beautiful song a beautiful sound, it feels like I'm in a dream

A beautiful song, a beautiful sound

I see a little girl, staring at the guitar

She looks at me and I look at her

She picks up the guitar and smiles and starts strumming along to the beautiful upbeat song

A beautiful song, a beautiful sound,

That's what I hear.
